

Have your meeting or conference approved for CFLE credit!

All NCFR Affiliate Council educational meetings are automatically approved for CFLE continuing education credit because the meeting content is always relevant. These credits can be used by CFLEs who need to earn at least 100 hours of continuing education credits every year in order to maintain their designation.

You can always market your meeting as approved. However, if you would like to have approval certificates to distribute at your meeting or want to have your meeting listed in the CFLE Calendar and on the NCFR website as a CFLE-approved meeting, you must submit the *CFLE Continuing Education Approval Form*. This form is available on the NCFR website.

Please be sure to include a schedule for the meeting including breaks and meals so that we can confirm the number of contact hours or continuing education units.

Please contact Dawn Cassidy at Dawncassidy@ncfr.org for more information.
