E-mail ronald.sabatelli@uconn.edu _____

C. **Focus Groups:** Please list Focus Groups under your Section.

Qualitative Family Research Network
Men in Families
Families and Technology

D. **2009 Goals/Projects/Aspirations**

1. enhance the participation of senior scholars at the conference
2. work with chair elect to insure a smooth (smoother) office transition in the future
3. _____
4. _____

E. **Newsletters/Website:** Please list areas where you would like assistance from NCFR.

QFRN Network, in particular, would like to set up a separate website/listserve – this is probably a good idea for the other focus groups as well

F. **Other issues:** What concerns or questions have come from the Section Business Meeting? the poor attendance at the section business meeting was a topic of discussion. This was due to the time of the meeting and the fact that it was scheduled after the reception at the Clinton Library. The other issue discussed at length by the few who attended the meeting as the plan to create uniform procedures/policies for the election and duties of section officers. It was the opinion of several members that it will be difficult in the future to find a person to run for Section Chair given the fact that they are being asked to commit to six years of service to the section.

Attach your Business Meeting Minutes and those of your focus group(s) along with this form and return it **no later than December 1, 2008**. Please send your 2009 budget to John Pepper, Finance Manager

by **January 1, 2009**. Thank you.
